

Stevia Rebaudiana*, sweet leaf or stevia, is a sweet herb that is 300-400 times sweeter than cane sugar. Stevia leaves contain 15-20% **stevioside** which is a natural, non-toxic and zero calorie substance.

*Also available Stevia Extract 90%

Applications

- Cereals/Snacks
- Chewing Gum
- Deserts/Confectioneries
- Fruit Juices
- Fruit Producers
- Functional Foods
- Sauces
- Sports Nutrition
- Yogurts
- Dietary Supplements (Stevia Extract 90%)

Physical Characteristics/Attributes

- 100% Natural
- Zero Calories
- 300-400 times sweeter than sugar
- Diabetic friendly/low glycemic response
- Stable across varying PH levels
- Very smooth with no bad after-taste

Manufacturer Information

- Backward integrated (100% control over supply)
- Highly skilled and experienced in botanical extract manufacturing
- Advanced in-house laboratory; HPLC, GC, MS, UV, AFS and full microbiological testing capabilities

Manufacturer's Certifications

- GMP Compliant
- HACCP
- Kosher (Star-k)
- Fully compliant with FAO and JECFA

Packaging and Storage

- 25 kg fiber drums with poly liners
- Store in 59-77F
- Shelf life — two years
